A Year in Film

The 8-part documentary series from Hollywood Suite immerses you in film and pop culture history. By examining the lasting impact of iconic movies, the technical achievements that led to today's blockbusters, and the hidden gems and cult hits that gained followings over time, A Year in Film offers a look into what movies can teach us about ourselves and the world we live in.

Season 2 premieres December 6.

The 4 years featured in Season 1 are:

1978

1983

1992

2007
